PRE-DIS: What it means when you see PRE-DIS in the vehicle description?

PRE-DIS is an abbreviation for a Newer Model vehicle, which has been processed in our full-service facility, has many great parts remaining for EWE-PULLET. Parts up to and including the drive-train may have been removed for use at Nordstrom's auto Recycling, our full service operation. This process gives us the opportunity to offer a greater selection for EWE-PULLET than ever before.

PRE-DIS: ¿Qué significa cuando ves PRE-DIS en la descripción del vehículo?

PRE-DIS es una abreviatura para un vehículo más de un nuevo modelo, que se ha procesado en nuestro negocio del -servicio- al cliente, estos aun tiene muchas partes en el vehiculo para ser vendidas en EWE-PULLET. Partes como el tren de engranes es posible que se hallan quitado para ser vendidas en Nordstrom Auto Recycling, nuestra negocio de servicio al cliente. Este proceso nos da la oportunidad de ofrecer una mayor selección para EWE-PULLET mejor que antes.
